

DECLARATION AND POWER OF ATTORNEY
(Continuation-In-Part Application)

As below named inventors, we declare that the information given herein is true, that we believe that we are the original, first and sole inventors (if only one name is listed below), or a joint inventor (if plural inventors are named below), of the invention entitled:

BIOLOGICALLY ACTIVE BACTERICIDAL/PERMEABILITY-INCREASING PROTEIN FRAGMENTS

which is described and claimed in:

— the attached specification or
X the specification in application
Serial No. 228,035
Filed: August 5, 1988
(for Declaration not accompanying application)

that this application in part discloses and claims subject matter disclosed in earlier-filed application(s)

Serial No 084,335
Filed: August 6, 1987
For: BIOLOGICALLY ACTIVE BACTERICIDAL/PERMEABILITY-
INCREASING PROTEIN FRAGMENTS

that I claim the benefit under 37 USC §120 of said earlier-filed applications(s); that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 C.F.R. §1.56(a), including such material information which occurred between the filing date of said earlier application and the filing date of the present application; that I have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to herein; that, as to the subject matter of this application which is common to said earlier application I do not know and do not believe that the same was ever known or used in the United States of America before my or our invention thereof or patented or described in any printed publication in any country before my or our invention thereof, or more than one year prior to said earlier application or in public use or on sale in the United States of America more than one year prior to said earlier application; that said common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of said earlier application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to said earlier application; and that no application for patent or inventor's certificate on said invention has been filed by me or my legal representatives or assigns in any country foreign to the United States of America except, as follows:
